

Welcome to the Beijing Hostel Guide

Beijing Hostel Guide is your guide to the best hostels in Beijing. We also provide basic travel information and some useful maps.

Beijing has many accommodation options. There are so many options that it can be difficult to make the right choice. Our aim is to make your life easier. Rather than list every option, we hand pick the best hostels in Beijing. You don't need to sort out the good from the bad giving you more time to plan the rest of your trip to Beijing. We are completely independant so you can trust our information.
