

# Beijing Templeside Courtyard Guest House

## Hostel Comments:

NO.1 hostel in China 2007

Central location. Hostel has a relaxed and homely feel. Nice and warm rooms, bright and clean. The staff are genuinely nice and friendly. Houhai (Beijing's no.1 night spot) is a very short cab away. Good place to relax in a quiet atmosphere. Not the place for the young & the restless who want to party all night. Serves a good breakfast on the roof terrace.
